CIS 4362 Intro To Cryptology – Homework 0
Zhihong Sun, Peter
zsun@ufl.edu

Programming Background: I took programming fundamentals 1 at UF as well as AP Computer Science to learn java. For C++ I learned through programming fundamentals 2. I also know python, html/css, javascript and a little bit of bash and powershell from work.

Cryptographic Systems Experience: None

Mathematics Background: Only took computational linear algebra at uf. Also took calculus up to calc 3.

Personal Stuff: I am from China but lived most of my life here in America and am still a Chinese citizen with intent to naturalize. I like robotics and programming as well as a good fantasy book. I mostly enjoy gaming, like League of Legends, Overwatch, Don't Starve Togther or PAD. I am a sophmore computer science major.
